

Acceptable Use Policy (AUP)

The aim of this Acceptable Use Policy is to ensure that pupils will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school AUP is not adhered to this privilege will be withdrawn and appropriate sanctions – as outlined in the AUP – will be imposed.

It is envisaged that school will revise the AUP annually. Before signing, the AUP should be read carefully to indicate that the conditions of use are accepted and understood.
