## Competencies Summary

16. A review of the JMB framework of competencies for Principal and for Deputy Principals was commenced in November 2018 in the light of feedback from members of selection committees, Principals, Chairpersons of Boards of Management, Trustees representatives and the Department of Education & Skills.

17. During this review it was decided to redefine four of the six competencies to more explicitly include the four domains identified in the Department of Education and Skills published document, *LOOKING AT OUR SCHOOL 2016: A Quality Framework for Post-Primary Schools (LAOS)*. This document identified two key areas or dimensions of the work of a school, namely, Teaching and Learning, and Leadership and Management. Within the dimension, Leadership and Management, which is the dimension most relevant to the recruitment of Principals and Deputy Principals, four domains are identified:

Domain 1: Leading Learning and Teaching

Domain 2: Managing the Organisation

Domain 3: Leading School Development

Domain 4: Developing Leadership Capacity

The document goes on to identify *standards* under each domain, each with a set of *statements of effective practice* and *statements of highly effective practice*.

The JMB review group drew on three strands: the previous collaborative work with Principals, Deputy Principals, Chairpersons of Boards of Management and representatives of Trustees that identified the original framework; the aforementioned feedback from selection committees; and, the DES publication *LOOKING AT OUR SCHOOL 2016: A Quality Framework for Post-Primary Schools (LAOS)*.

### **30. Future Development of the Royal School Cavan**

The Royal School Cavan has a history stretching back over 400 years. In 2020, the decision was made to close the Boarding Department, thus making the School purely a day-school. This year, following extensive consultations with the Department of Education and Skills, the decision was made to enter the Free Education Scheme. This decision will take effect from September 2022. There will be far-reaching implications with regard to entering the Free Education Scheme, involving extensive development of infrastructure, expansion of the School enrolment and provision for Special Educational Need.

The emphasis of all parties remains on maintaining the provision and quality of teaching and learning, upholding the ethos and intimate and inclusive atmosphere of the school for the entire school community, and ensuring that the school's culture and commitment to well-being creates an environment in which students feel secure, valued and encouraged in their learning.
